

Iodide Powder

Iodine Supplement

Description

To be used as a nutritional source of iodine for horses and cattle.

Ingredients

Dextrose, ethylenediamine dihydroiodide

Guaranteed Analysis Per Pound:

Ethylenediamine dihydroiodide 0.152 g
(Equivalent to 10 mg/oz)

Directions for Use

Horses: 1 ounce daily in feed
Cattle: 1 ounce per head per day
 mixed in ration

Warning

For veterinary use only.

Keep out of reach of children.

Do not administer to animals showing signs of acute respiratory disease.

Do not administer to pregnant, lactating, or nursing animals.

Caution

Treat animals with caution until tolerance is determined as animals vary in susceptibility to iodides.

Excessive iodine can cause skin, respiratory, cardiac, and gastrointestinal side effects.

Storage

Store in a cool, dry place. Keep lid tightly closed.

Features

- Ready-to-use formula - no pre-mixing required
