

BioSentry BioPhene Spray Disinfectant	Product Number
15.5 oz Can	490910

## BioSentry® BioPhene™ Spray Disinfectant

Product Number: 490910

### Key Features

- Provides fast and effective disinfection
- Effective against Influenza A and Influenza B Viruses
- Kills 99.9% of harmful bacteria
- Eliminates odors at the source
- Dries quickly leaving behind no residue

### Product Description

BioSentry® BioPhene™ Spray Disinfectant is an EPA-registered aerosol disinfectant that effectively controls the common viruses\* and bacteria\*\* that challenge the agriculture industry. In addition to controlling viruses, bacteria, and fungi, BioPhene Spray Disinfectant also eliminates odor and controls mold and mildew. BioPhene Spray Disinfectant can be used in vehicles, on footwear, or anywhere quick disinfection may be needed which makes it a great addition to your biosecurity portfolio.

BioSentry BioPhene Spray Disinfectant has demonstrated effectiveness against viruses similar to SARS-CoV-2 on hard, non-porous surfaces. Therefore, BioSentry BioPhene Spray Disinfectant can be used against SARS-CoV-2 when used in accordance with the directions for use against Mycobacterium bovis on hard, non-porous surfaces. Refer to the CDC website at <http://www.cdc.gov/outbreaks> for additional information.
