

$$24'_{16}$$

The diagram illustrates the decomposition of the interval $[0, 1]$ into two sub-intervals. The first sub-interval, $[0, 29/32]$, is labeled $29/32$. The second sub-interval, $[29/32, 1]$, is labeled $4^3/32$.

A diagram showing a vertical line with a downward arrow at the bottom and an upward arrow at the top. The upward arrow is labeled with the fraction $\frac{29}{32}$, and the downward arrow is labeled with the fraction $\frac{4^3}{32}$.
