EASY TO SET • NO POISON • REUSABLE

Durable plastic traps with high tension spring and bait reservoir

Catch mice—not your fingers! The simple to set Ramik[®] Snap Trap offers one-touch trap setting, and touch-free mouse disposal. Simply fill the deep bait well with a food (e.g., peanut butter) or nesting material (e.g., cotton ball), and set.

INSTRUCTIONS FOR USE

1. Place desired bait into the trap's deep well.
2. To set, press the top bar down as illustrated in photo #1.
3. Set the trap next to a wall where mice are known to be active, as illustrated in photo #2.
4. To dispose of a captured mouse, simply press the top bar down.
