

Ovine Genetic Testing Submission Form

Neogen Canada
 7323 Roper Road NW
 Edmonton, AB T6E 0W4
 neogencanada@neogen.com

For laboratory use only:
Date Samples received: _____
Order #: _____ **Task ID:** _____
Sample condition: _____

Sample requirements: Blood card samples must be whole blood spotted on GeneSeek blood cards (please call us for a supply), or equivalent. There must be enough sample to cover at least half of the circle on the filter paper. Cards should be dried immediately after spotting and kept at room temperature. Spotted cards should not be exposed to excessive heat, cold, dampness or other adverse conditions. Serum tests must be sent in red top (serum) tubes.

Farm Name: _____
