

**KEEP OUT OF REACH OF CHILDREN
FOR EXTERNAL USE ONLY**

Indications: For external use only as an antiseptic, disinfectant, and rubefacient.

Directions for Use: Use full strength as topical antiseptic or for disinfection of instruments.

Caution: In case of deep puncture wounds or serious burns, consult a veterinarian. If redness, irritation, or swelling persists or increases, discontinue use and consult a veterinarian. Do not apply to irritated skin or if excessive irritation develops.

Warning: If taken internally, serious gastric disturbance will result.

First Aid: Call a physician immediately. Avoid getting into eyes or on mucous membranes. In case of eye contact, flush thoroughly with water and call a physician immediately.
