

Barnstorm®

Product Number: 418083

Key Features

- Low pH cleaner and descaler
- Formulated for cleaning and descaling livestock confinement buildings, equipment, and vehicles
- User friendly dilutions
- Fast acting cleaner and descaler

Product Description

Barnstorm® is a heavy duty concentrated cleaner and descaler, combining a unique blend of specially formulated acids and high-foaming detergency designed to remove both organic and inorganic soils from surfaces prior to disinfection. Barnstorm is ideally suited for use in all phases of hog farm sanitation, including; nurseries, farrowing pens, breeding and gestation rooms, loading chutes, animal transport vehicles, footbaths, waters and feeders, and all areas on the pork production facility. Additionally Barnstorm is ideally suited to use in poultry houses and on farm premises, including poultry and turkey farms, breeders, and laying operations.

Directions for Use

Thoroughly saturate all surfaces with Barnstorm at a dilution rate of 1:64 (2 oz per gallon water). Product may be applied through high or low pressure spray apparatus, or immersion. For best results, allow Barnstorm to remain on surfaces for 10 - 15 minutes.

Barnstorm	Product Number
1 gal Jug	418083/1
5 gal Pail	418083/5A
55 gal Drum	418083/55

Actives:	Phosphoric Acid
Use:	Formulated for cleaning and descaling livestock and poultry confinement buildings, equipment, and vehicles.
Activity:	Removes organic and organic soils
Application:	High foaming, high or low pressure washing, immersion, or manual cleaning
Safety:	Danger

Usage Rates

Task	U.S.	Metric
Cleaning	2 oz/gal	16 mL/L
