

Prozap[®] CT-75

Product Number: 0720210

Prozap CT-75	Product Number
26 oz. can	0720210

Purpose

Prozap[®] CT-75 Dairy Aerosol is specially formulated for use on dairy farms, beef, hog and poultry operations, horse barns and stables, and kennels.

Product Description

For hog operations: In hog houses, close all windows and doors. Apply at the rate of 1 to 2 seconds per 1000 cubic feet. Keep area closed for 15 minutes following application. For animal application direct spray over backs and spray for 1 to 2 seconds per hog. Do not spray directly towards animal's face or eyes. Repeat application daily or as necessary.

For horse barns and stables: In horse barns close all windows and doors. Spray at the rate of 1 to 2 seconds per 1000 cubic feet. Keep area closed for 15 minutes following application. For animal application, lightly mist over backs of horses and ponies from a distance of at least 2 feet. Do not spray directly toward horse's face or eyes. Repeat application daily or as necessary.

For beef cattle operations: In barns, close all windows and doors. Apply at the rate of 1 to 2 seconds per 1000 cubic feet. Keep area closed for 15 minutes following application. For animal application, thoroughly spray entire animal as it is being released to pasture. Do not spray directly towards animal's face or eyes. Repeat application daily or as necessary.

Please see entire product label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on the product label. It is a violation of Federal law to use this product or products in a manner inconsistent with its labeling.
