*Restricted Use Product*

# SureKill® Vap-5

Product Number: 0744010

### Product Description

SureKill® Vap-5 liquid concentrate is designed for use in the control of exposed stages of listed stored product insects infesting facilities that contain non-perishable, packaged, bagged, raw or processed food commodities.

### Purpose

The 5% Dichlorvus formula targets exposed stages and assists the prevention of migration of most species of stored product insects. Can be used in most types of fogging devices with the exception of the thermal fogger, as a space spray and contact spray. For use in Non-food/Feed areas of food/feed handling establishments, restaurants, and other areas where food is commercially prepared or processed.

*Please see this product's entire label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on the product label. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.*
